# SERVICE CONNECT

EVERY COURT-ORDERED HOUR, *VERIFIED.*

**Accountability matters.** Service Connect gives courts, corrections offices, and program administrators everything they need to assign, monitor, and verify court-ordered community service – participants, court orders, service sites, and logged hours, tracked end to end with real-time visibility and a complete audit trail.

## KEY FEATURES

<p><b>VERIFIED CHECK-INS, FIVE WAYS</b></p> <p>PIN, QR, supervisor entry, bulk paper log, and admin override – every hour enters through a verified path, so no participant is left behind and no hour goes unaccounted.</p>	<p><b>GEO-FENCING &amp; SITE LOCK</b></p> <p>Distance-checked, location-logged check-ins confirm participants are physically present at approved sites. Participants are locked to assigned sites, and hours credit to the soonest deadline.</p>
<p><b>PARTICIPANT MOBILE APP</b></p> <p>Native iOS and Android self check-in with per-program download QR codes – participants see their approved sites and remaining hours, and staff do less manual entry.</p>	<p><b>COURT-READY DOCUMENTS</b></p> <p>Single-order and cumulative PDFs generated in one click for hearings or case reviews – with clear vacated / dismissed banners and watermarks.</p>
<p><b>ATTORNEY &amp; VACATE WORKFLOW</b></p> <p>Vacate by court order in one action, with attorney and public-defender records maintained on the participant file.</p>	<p><b>TRANSPARENCY &amp; AUDIT ENGINE</b></p> <p>Designated auditors, real-time correction broadcasts, and scheduled audit digests – a built-in trail that protects the court and the participant alike.</p>

## WHO WE SERVE

— HOW IT WORKS – FROM SENTENCE TO COMPLETION

**1**

**COURT SETS UP PROGRAM**

Administrators configure approved service sites, set geo-fences, assign participants, and define required hours – all from the web portal.

**2**

**PARTICIPANT IS ENROLLED**

The participant receives their PIN and app access. Approved service locations are visible in the app along with their remaining required hours.

**3**

**PARTICIPANT CHECKS IN & OUT**

At an approved site, check-in is logged through any verified path – geo-fenced app, QR scan, PIN entry, supervisor entry, or bulk paper log.

**4**

**STAFF REVIEWS & REPORTS**

Officers monitor compliance in real time from the dashboard. Court-ready reports are generated with a single click for hearings or case reviews.

— WHY SERVICE CONNECT?

✔ Eliminates paper logs and manual hour reconciliation

✔ Geo-fencing ensures participants are physically present at approved sites

✔ PIN and supervisor entry accommodate participants without smartphones

✔ Court-ready PDFs generated instantly – one click for hearings or case reviews

✔ Attorney and vacate workflows handled in one action, recorded on the file

✔ Built-in audit trail protects the court and the participant alike
