

Tally-Up

Send an invoice. The books *post themselves*.

Small-business invoicing with real double-entry accounting behind every invoice and payment — plus quotes, expenses, time, mileage, recurring billing, online payments, and QuickBooks import. Hosted at your own subdomain, or installed on your own machine.

IN PRODUCTION

YOURBUSINESS.TALLY-UP.NET

STRIPE · ACH · PAYPAL

The dashboard — open A/R, overdue, unbilled time, quotes out. Your books, one tab away.

Professional invoicing

Editable drafts; issued invoices lock for audit integrity, with clean void-and-reissue.

Books that post themselves

Every invoice and payment posts a balanced journal entry. The trial balance just reconciles.

Low-cost online payments

Stripe card + ACH and PayPal. ACH at 0.8% capped at \$5 — absorbed, never surcharged.

The whole workday

Quotes, expenses, time, mileage, and recurring billing beside your invoices.

QuickBooks import

Your existing history comes with you — nothing re-keyed.

Credit memos & audit capture

Every financial change recorded. Corrections leave a trail.

SMALL BUSINESSES

Invoice, get paid, keep real books — without hiring for it.

SOLE OPERATORS

The entire admin side of your work in one login.

QUICKBOOKS LEAVERS

Import your history and keep moving.

Watch the books post themselves — request a walkthrough.
