

TALLY-UP

SEND AN INVOICE. THE BOOKS *POST THEMSELVES*.

Small-business invoicing with real double-entry accounting behind every invoice and payment — plus quotes, expenses, time, mileage, recurring billing, online payments, and QuickBooks import. Hosted at your own subdomain, or installed on your own machine.

IN PRODUCTION

YOURBUSINESS.TALLY-UP.NET

STRIPE · ACH · PAYPAL

KEY FEATURES

PROFESSIONAL INVOICING

Editable drafts; issued invoices lock for audit integrity, with clean void-and-reissue.

BOOKS THAT POST THEMSELVES

Every invoice and payment posts a balanced journal entry. The trial balance just reconciles.

LOW-COST ONLINE PAYMENTS

Stripe card + ACH and PayPal. ACH at 0.8% capped at \$5 — absorbed, never surcharged.

THE WHOLE WORKDAY

Quotes, expenses, time, mileage, and recurring billing beside your invoices.

QUICKBOOKS IMPORT

Your existing history comes with you — nothing re-keyed.

CREDIT MEMOS & AUDIT CAPTURE

Every financial change recorded. Corrections leave a trail.

WHO WE SERVE

SMALL BUSINESSES

Invoice, get paid, keep real books — without hiring for it.

SOLE OPERATORS

The entire admin side of your work in one login.

BUSINESSES LEAVING QUICKBOOKS

Import your history and keep going.
